A Creative Partnership for Art Outsourcing. Your Classroom...or Ours.

Clay Creations

Students will learn the art of clay hand building as they make a keepsake mask. This one-step project allows artists to build and glaze the same day as they learn about clay, glazing, and firing. Each piece will be fired in a kiln. \$12.00/student.

Plates, mugs, bowls!

A functional keepsake. Students paint a dish while learning all about pottery and firing. Non-Toxic. Glaze does not stain. Once fired, dish is dishwasher, microwave, and food safe. salad plates...\$10.00/student mugs...\$10.00/student bowls...\$12.00/student
